Notes from the Superintendent

Dr. Andy Crozier

Dear Central Lee Community:

At its June meeting, the Central Lee Board of Education approved a bond question that will appear on the ballot Tuesday, September 10, 2019. The board took this action after engaging in an exhaustive process to examine our schools' facility needs, consider various solutions and listen to the input and feedback of our staff, parents and community members.

As a result of this process, the board is proposing a bond in the amount of \$12.9 million to address our most pressing facility needs. It is worth noting that the bond would not result in a net property tax increase in our community.

If approved, the bond would allow the district to move forward with the following projects:

- New classrooms for band and vocal programs
- New preschool classrooms, freeing up two additional classrooms to meet future space needs at the elementary level
- A new competition and performance gym for elementary, middle and high school events
- New ADA-accessible locker rooms
- An expanded commons area for better student collaboration and improved building flow
- Renovated space to create a new culinary arts classroom
- Improved traffic flow and more parking throughout the campus

To learn more about the district's needs, read answers to frequently asked questions and view our K-12 master plan, please visit www.centralleebond.org. We look forward to more productive conversations about the future of Central Lee schools in the weeks to come.

Sincerely,

Dr. Andy Crozier, Superintendent
Central Lee Community School District

2019-2020 School Registration for All Students
Will be held in the K8 MULTI-PURPOSE ROOM

Thursday, August 1, 8 AM to 8 PM

Central Lee PowerSchool E-Registration

For the fifth year, we will be offering ONLINE E-REGISTRATION! Remember, you are still required to physically attend registration, but the option to complete a majority of the e-registration process can be done from your home! **Once we send you notification via School Messenger that the site is open, you may start the online registration process at home** or you can complete it at school on registration day. We will have a staffed computer lab set up for your use at registration and assistance will be available if needed. The school notification message that we will send out via School Messenger to your email and text will notify you when the registration site is open and provide directions to assist you through the process. This information can also be found on the Central Lee CSD website, www.centrallee.org once the site is open. Our goal is to simplify this process and we appreciate your patience!

Registration Payment Options: We will be accepting the following forms of payment at registration:

Cash — Check — Discover Credit or Debit Card — MasterCard Credit or Debit Card — VISA Credit or Debit Card

School Fees

All fees for secondary, vocational, and special classes are one flat book rent fee. The fee for High School is \$60 per student, Middle School \$55 per student, and Elementary \$50 per student. Senior High Band will be \$15 (maximum \$25 per family for High School only), and Middle School Band will be \$10. There will be a graduation fee of \$10. Student insurance applications will be available at school registration.

Breakfast Program

The hot lunch program will be serving breakfast during the school year, beginning August 26, the first day of school. Breakfast will be a nutritional meal approved by the Federal Hot Lunch Program. The cost of breakfast is \$1.60 per day. Students who qualify for free or reduced lunch will also qualify for free or reduced breakfast. Students will eat breakfast as soon as they get to school in the morning, and will return to their classrooms as soon as possible to ensure a minimal loss of classroom learning time. Please take advantage of this service available from the Hot Lunch Program.

Student Breakfast & Lunch Costs

Daily Breakfast:	\$1.60
Daily Lunch:	Pre School - 5 \$2.40, Includes 1 Carton of Milk
	6-12 \$2.55, Includes 1 Carton of Milk
	Milk \$0.35 Per Carton

Information regarding the Free & Reduced Price Meals Policy will be available at school registration.

Centrally Speaking Publication

The school newsletter will be published five times during the school year. There will be issues in July, October, December, February, and April. The July issue will be distributed by U.S. Mail. All issues will be available on our website, <http://www.centallee.org>. Menus will be listed in the local papers, on local radio, and on our website.

SchoolMessenger

SCHOOL NOTIFICATION SYSTEM **CENTRAL LEE CSD**

Central Lee CSD uses *SchoolMessenger* as our school notification system provider. We are able to send you school notifications through the following broadcast options:

E MAIL

TEXT MESSAGING (also known as SMS)

PHONE MESSAGING

At registration in August, we will ask you to update your current email addresses, current cell phone numbers and current home phone numbers. Please update this information accurately, as this is how we will notify you.

After registration, and once we have all your current information in Power School, the program will update School Messenger with current phone numbers. At this time, if your phone numbers have changed, please follow the steps below:

1. Using the cell phone that you listed on Power School, please text YES to number 67587. Your response of "yes" gives School Messenger permission to send you text messages from Central Lee. It is imperative that you send this text so you can receive important notifications from the school. If you do not send this text, you will not be notified via text messaging.

2. Please make sure you follow step 1 for all cell phones that you changed in Power School.

If you have not made any changes to phone numbers on Power School and currently receive text messages, you are set up and will not need to do anything else at this time.

School Messenger is a very important tool that we use to communicate with students/families/parents. Thank you for your assistance in helping us keep the lines of communication open between you and Central Lee CSD. If you have any questions, please notify the Building Secretaries or Lora at the Board Office at 319-463-7635 or 319-835-9510.

Dental Screenings

The Iowa Department of Public Health Certificate of Dental Screening form is required for only incoming Kindergarten and incoming 9th Grade students.

You may download the form off of our website: www.centrallee.org

Athletic Physicals

Any Middle School or Senior High student planning to participate in athletic activities, including cheerleading, must file a physical form completed by a doctor prior to participation. Athletic physicals are good for one calendar year plus 30 days' grace.

Picture Day for Entire District

Open Enrollment Patron Notification

Parents/Guardians considering the use of the open enrollment option to enroll their children in another public school district in the State of Iowa should be aware of the following dates:

March 1, 2019: This was the last date for regular open enrollment requests for the 2019-2020 school year.

September 1, 2019: This is the last date for open enrollment requests for entering kindergarten students and those students falling under the "good cause" definition for the 2019-2020 school year.

March 1, 2020: This is the last date for regular open enrollment requests for the 2020-2021 school year.

Parents/Guardians of open enrolled students whose income falls below 160% of the federal poverty guidelines are eligible for transportation assistance. This may be in the form of actual transportation or in the form of a cash stipend. Parents should be aware that open enrollment may result in the loss of athletic eligibility. For further details, contact the school.

Middle School Orientation (formerly Meet & Greet)

This year the middle school is implementing a different format to orient students to grade level expectations at the middle school. We want to include parents in understanding the middle school philosophies and expectations. Therefore, on August 22, there will be a more formalized structure. We will hold orientation from 4:00 pm - 6:00 pm. We will conduct grade level presentations in the band/vocal room. Teachers will present classroom and behavioral expectations, and answer questions you may have. When your child is not scheduled in a grade level meeting, they are welcome to get their schedule from the office, find their locker, check out their classrooms, etc. Please make a dedicated effort to attend.

8th grade	4:00 – 4:30
7th grade	4:45 – 5:15
6th grade	5:30 – 6:00

We hope to see you August 22 at Middle School Orientation!!

Increased 1:1 Technology at the Elementary

Students in Kindergarten will have access to iPads this school year with access to classroom sets. Students in grades 1-5 will have 1:1 iPads w/ the devices staying in their classroom (students do not take them home). At all grade levels they will learn how to access information for research activities, practice skills in all subject areas, and communicate with their parents through this technology. It is a tool to enhance their learning. Students will participate in local technology training and be educated on expectations regarding responsibility, ethics, and also learn some beginning functions and apps on the iPads.

1:1 iPad for Middle School Students

Students in grades 6-8 will continue to have increased technology reliability and access this year. iPads will be handed out once school starts. Parents and students will be asked to read and view information regarding laptop use, care and expectations. The middle school students will be able to take their iPads home. With this opportunity comes greater responsibility. We will be working to educate students, staff and parents about policies, procedures, and educational practices to continue a successful iPad initiative.

Central Lee CSD 1:1 iPad Program

Kris Brewer, Technology Director

At Central Lee, we use technology as an accelerator of learning. All students 1st grade through 12th grade will be issued an iPad for educational use as part of a 1:1 iPad program. The program uses digital curriculum materials, student collaboration tools, and individualized instruction in all subject areas with the goal of enhancing student learning.

We are excited about enhancements to our 1 to 1 technology program. We are moving from a 3-12 laptop environment, to a 1-12 iPad program. All students 6-12 will be issued an iPad for school use and will have take-home privileges. Students 1-5 will be issued an iPad for use at school only. Kindergarten will have classroom iPads available on a shared basis. Students in grades K-5 will not have take-home privileges.

On or before August 1, all iPad program information will be available on our school's website at <http://www.centrallee.org/district/technology>. This link will include iPad setup instructions, Student and Parent responsibilities, iPad care and use guides, program expectations and more.

iPads for students in grades 6-12 will be distributed during the first week of school.

TO Parents, Students and Staff of Central Lee Community School District

DATE June 14, 2019

In July 1988 a Federally Certified Inspector from the Institute for Environmental Assessment inspected all buildings in Central Lee School District. Samples of various Building materials were taken and analysis proved there was no asbestos in the buildings except for the floor tile in the High School. Since the above date the following has taken place.

1. An Asbestos Management Plan has been developed and put in place.
2. Every six months a periodic surveillance/reinspection of the areas containing any ACM or assumed to contain any ACM has been and will continue to be completed.
3. On January 17, 1991 our Asbestos Management Plan, records, and buildings were inspected by the Environmental Protection Agency and the district was in compliance with AHERA regulations.
4. On May 16, 1992 the Institute for Environmental Assessment completed a reinspection of the buildings. The results were ACM in floor tile at High School.
5. March 4, 1996 a three-year inspection mandated by AHERA was done by Spectrum Labs.
6. On February 16, 1999 a three-year inspection mandated by AHERA was done by Ames Environmental Inc.
7. On February 11, 2002 a three year inspection mandated by AHERA was done by Ames Environmental Inc.
8. On January 20, 2005 a three- year inspection mandated by AHERA was done by Ames Environmental Inc.
9. On January 22, 2008 a three- year inspection mandated by AHERA was done by Ames Environmental Inc.
10. On January 26, 2011 a three year inspection mandated by AHERA was done by Ames Environmental Inc.
11. On January 20, 2014 a three year inspection mandated by AHERA was done by Ames Environmental Inc.
12. On February 13 2017 a three year inspection mandated by AHERA was done by Impact 7.

We are complying with AHERA and related Federal and Iowa laws and we plan to take whatever steps are necessary to ensure that our students and employees have a healthy and safe environment in which to learn and work. If you have any concerns or question Please feel free to call.

Thank You,
 Chris Gray
 Director of Operations

Notification of Rights Under FERPA for Elementary & Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days after the day Central Lee Community School District (CLCSD) receives a request for access: Parents or eligible students who wish to inspect their child’s or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA: Parents or eligible students who wish to ask CLCSD to amend their child’s or their education record, should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interest be set forth in the school’s or school district’s annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without a consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by CLCSD to comply with the requirements of FERPA: The name and address of the Office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW Washington, DC 20202.

Notification of Rights Under the PPR Amendment

The Protection of Pupil Rights Amendment (PPRA) affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection, and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

•**Consent** before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education:

1. Political affiliations or beliefs of the student or student’s parent;
2. Mental or psychological problems of the student or student’s family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or student’s parent, or
8. Income, other than as required by law to determine program eligibility.

•**Receive** notice and an opportunity to opt a student out of:

1. Any other protected information survey, regardless of funding;
2. Any nonemergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information collected from students for marketing or to sell or otherwise distribute the information to others. (This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.)

•**Inspect** upon request and before administration or use:

1. The protected information surveys of students and surveys created by a third party;
2. The instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law. Central Lee Community School District (CLCSD) has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

CLCSD will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. CLCSD will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. CLCSD will make this notification to parents at the beginning of the school year, if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys.

Parents will also be provided an opportunity to review any pertinent surveys. The following is a list of the specific activities and surveys covered under this direct notification requirement:

- Collection, disclosure, or use of personal information collected from students for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by the U.S. Department of Education.
- Any nonemergency, invasive physical examination, or screening as described above.

Parents who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue SW
Washington, DC 20202.

Great Prairie Area Education Agency

Great Prairie A.E.A. staff will be available to partner with Central Lee School District staff members to provide the best education possible for your child. These Great Prairie A.E.A. staff include, but are not limited to, audiologists, consultants, teachers for hearing impaired and visually impaired, occupational therapists, physical therapists, school psychologists, school social workers,

and speech-language pathologists. Your child's teacher may contact A.E.A. staff for consultation, observation, or interaction with your child. If you do not want the above services, please notify the school *in writing*. If you have any questions and/or concerns about these services, please call Dr. Angelisa Fynaardt, Director of Special Education at the A.E.A., at 1-800-382-8970, ext. 5311.

Notice for Directory Information Under FERPA

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Central Lee Community School District (CLCSD), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, CLCSD may disclose appropriately designated "directory information" without written consent, unless you have advised CLCSD to the contrary in accordance with CLCSD's procedures. The primary purpose of directory information is to allow CLCSD to include this type of information from your child's education records in certain school publications. Examples include a playbill, showing your student's role in a drama production; the annual yearbook; honor roll or other recognition lists; graduation programs; and sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with the following information—names, addresses, and telephone listings—unless parents have advised the

LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want CLCSD to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify CLCSD in writing by September 1, 2016. CLSD has designated the following information as directory information: student's name; address; telephone listing; email address; photograph; date and place of birth; major field of study; dates of attendance; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; degree, honors, and awards received; the most recent educational agency or institution attended; student ID number, user ID, or other unique personal identifier used to communicate in electronic systems but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user; a student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.
