HAWKS S.O.A.R.!!

HAWKS are
Successful, Organized, Accountable, Respectful
I wish to welcome you (or welcome you back) to Central Lee Middle School and hope the school year is a happy and successful one. It is our highest priority to offer the best possible education so that each of you will be a productive member of society. This handbook has been prepared to help you have a successful school year. **You are responsible for the contents of this handbook**, so please read it thoroughly to help avoid later misunderstandings. Some information also pertains to parents so please ask them to read it. **This handbook is not designed to answer all questions or solve all problems that may arise, but it should serve as a useful source of information for students and parents.**

Central Lee is your school. The buildings, materials, staff, teachers, and administrators are here for one reason—to assist you in preparing for your future. The record you produce at Central Lee in academics, attendance, and extra-curricular activities will be reviewed by future schools and employers. It is hoped that you will produce a record of which you can be proud.

The Central Lee Student Handbook sets forth our school's opportunities and regulations for helping to create a positive learning environment. Following these simple guidelines will produce a fun and productive school year for everyone.

The Central Lee Community School Board affirms its intent to support the school discipline policies, its intent to support school staff who enforce the discipline policies and its intent to hold school staff accountable for implementing the discipline policies.

Best wishes for a happy and successful year.

PARENT NOTIFICATION LETTER

The Central Lee School District wants every child to have a rewarding and enjoyable school experience. To meet this goal we need ongoing communication between home and school and particularly among teachers, children and parents. If your child is unhappy or feeling unsuccessful and you feel that we can be of assistance, please do not hesitate to call.

The Central Lee Middle School has developed a plan to assist children who may experience problems at school. The School District has many individuals who are available to help you and your child. For example, we have a school guidance counselor, school nurse, at-risk instructor, school psychologist, school social worker, special education consultant, speech and language clinician, and special education teachers. All of these people are employed to assist you, your child, and your child’s teachers. Your child’s teacher may contact these people and they may observe, consult with or about your child, and assist with instruction.

The school also has a “Learner Assistance Team” which may include some of the people noted above. The Learner Assistance Team will try to solve specific problems a child might be experiencing. At your request, or the request of school personnel, this team may convene to deal with problems about which there is a concern. When this team meets, specific recommendations will be made to assist your child in becoming more successful in the classroom and we would welcome your suggestions and concerns.

If you have a concern about your child’s performance in school, please share it with his/her teachers. If you are not satisfied, feel free to contact the Building Principal. If you feel that your child may be in need of a special education problem and is denied that opportunity, contact the AEA Director of Special Education.

GREAT PRAIRIE AEA

Great Prairie AEA staff will be available to partner with Central Lee School District staff members to provide the best education possible for your child. These Great Prairie AEA staff include, but are not limited to: audiologists, consultants, teachers for hearing impaired and visually impaired, occupational therapists, physical therapists, school psychologists, school social workers, and speech-language pathologists. Your child’s teacher may contact AEA staff for consultation, observation or interaction with your child. If you do not want the above services, please notify the school IN WRITING.

If you have any questions and/or concerns about these services, please call Michelle Harris, Regional Special Education Director at the AEA at 1-800-382-8970.
REGISTRATION AND ENROLLMENT

Prior to opening of school, the district conducts an enrollment registration. Payment of lunch, activity, insurance, textbook rental, and other fees should be complete at this time. Enrollment of transfer students will be subject to change until all records have arrived and been reviewed. Non-resident students will pay tuition in accordance with state law.

Incompletes are issued at the end of a grading period for students who have been absent for a long period of time with extenuating circumstances. These students will have a **one week extension** to complete their assignments and be issued an appropriate grade.

REPORT CARDS & GRADING

Report cards are issued each quarter (9 wks). Letter grades are used as follows: A=Outstanding; B=Above Average, C=Average; D=Below Average; F=Failing; I=Incomplete. Students receiving an incomplete "I" will have one week from the end of the quarter to complete required assignments.

Grades are EVIDENCE of student LEARNING!

“The purpose of the report card is to communicate with parents and students about the achievement of specific learning goals. It identifies students’ levels of performance with regard to these goals, areas of strength, and areas where additional time and effort are needed.” (Guskey & Bailey, 2010)
Content/Coursework Practice (daily work/homework) related to that “unit” need to be completed before they can re-take an assessment (test or quiz). Deadlines are expected for this practice work so that students can remain current on classroom learning.

Grades will reflect 100% of student progress on Content/Classroom Standards and Learning Targets. This evidence of learning may include projects, student generated products/presentations, quizzes, and tests.

Content/Coursework Practice (daily work/homework) related to that “unit” need to be completed before they can re-take an assessment (test or quiz). Deadlines are expected for this practice work so that students can remain current on classroom learning.

Daily practice and homework will not be counted in a student’s overall grade. These practice activities/assignments will be recorded in PowerSchool to reflect student progress on achieving the Learning Targets of the course, but will not be graded.

Test/Quiz Re-take Protocol
** Any student can re-take a test or quiz.
** The grade on the re-take will be the grade recorded in PowerSchool.
** Students will have a Test Request sheet to fill out and have it signed by the parent/guardian.
** The re-take needs to be complete within 5 school days, or extended by teacher discretion.
** The student will be required to participate in a “re-teach” session before re-taking the test/quiz. (The teacher determines task/activity of re-teach session).
** Teachers can request that students re-take a test to improve their grade.
** Practice work/assignments associated with test/quiz has to be complete to re-take a test/quiz.
** Test/quiz re-takes can be a different format.

HONOR ROLL CRITERIA

All letter graded classes will count toward honor roll eligibility. All classes, except those that are pass/fail, will be figured into GPA. This will include music, band, PE, and chorus. Certificates will be given for the following grade point averages: Principal’s Scholar—4.0; “A” Honor Roll—3.5-3.99; “B” Honor Roll—3.0-3.49. A “D” or “F” in any class will disqualify a student for any honor roll eligibility.

In May, our school is invited to attend the Burlington Bee’s Honor Roll/Reward Day. Criteria for attending this game is as follows: Honor Roll all 3 quarters and in good standing at the time of the game; 2 or less reflections, 6 or less late/missing assignments, 4 or less detentions, and No In-School or Out-of-School Suspensions.

Students not attending the game will be expected to attend school that day, as it will be a regular school day, and classes will be in session.
EXPECTATIONS FOR SUCCESS

In order to make Central Lee a more productive school and also have a fun and cooperative atmosphere, the following four guidelines should be helpful. They are very simple and you will be expected to follow them to the best of your ability.

1. **BE ON TIME**: Show up to school on time and be to each class before the bell rings.

2. **BE PREPARED**: Come to school and report to each class with the tools necessary for that class period. It is your responsibility to bring what is necessary to class. Your teachers will not excuse you to go back to your lockers, etc. or to go home to get forgotten items. PLAN AHEAD!

3. **DO ASSIGNMENTS**: Do what is assigned to you and turn it in on time. If you have a problem with something, take the time and visit with the instructor(s) about it.

4. **RESPECT YOURS AND OTHERS’ LIVING SPACE**: Respect other people’s feelings and right to be here whether you like them personally or not. If there is mutual respect for your fellow students and staff, Central Lee Middle School will be a productive and fun place to attend school.

*HAWK HELP*

Homework and assignments are an important part of the curriculum. They are assigned to help students learn and practice skills, concepts, and gain an understanding of the “essential learnings” for that course. Completion of assigned work is vital to the learning process and understanding the course content. Daily work or classroom practice will not be graded, but will be required to be completed for students to be able to re-take summative tests.

HAWK HELP is time spent after school to finish schoolwork, work with a teacher for additional support and/or to reinforce classroom instruction. If students are assigned to HAWK HELP, they will be required to call their parent and schedule a time to stay after school until at least 4:30 pm to complete this work, and receive academic support. Work completed during this time will be handed in before leaving school that day.

Students may be assigned to HAWK HELP on an “as needed” basis to complete
assignments and class work. HAWK HELP is based on teacher or principal referral and is offered to assist students in staying current with their work. If a student has been assigned HAWK HELP, it means all other options during the school day have been exhausted and time before or after school is the last resort.

**CHEATING/PLAGIARISM POLICY**

Dishonesty, cheating or plagiarism is not viewed lightly at Central Lee Middle School. Faculty expect that students are to be responsible for their own learning and evaluation. Any student found to be plagiarizing/cheating (or assisting another in cheating) will be dealt with in the following manner:

1. On tests, projects or papers, cheating/plagiarizing will be dealt with by the individual classroom teacher and principal. A grade of "0" will be recorded. In addition, other consequences may be given at the discretion of the teacher/administrator.
2. On daily work, cheating will be dealt with at the discretion of the individual classroom teacher.

**SCHOOL TIMES**

Classes at the middle school will begin at 8:20 am. The school day will end at 3:30 pm. If a student is absent from a class period for more than ten (10) minutes without prior knowledge or approval, they will be marked as an “At School Absence” for that class.

**ATTENDANCE**

Punctuality and regularity of attendance are necessary if a student expects to succeed in Middle School. One of the most important things you can do is to **be at school**. When you are absent, you miss vital information, class discussion, or other activities that cannot be replaced with worksheets or assignments. Daily, punctual attendance is an integral part of the learning experience and is required of all students to receive the maximum benefit of the educational program. Absences cause disruption in the educational process of not only the absent student, but interferes with the progress of those students who are regular and prompt in attendance.
You can never completely make up what is missed while you are absent. With this in mind, the only absences that should occur are those caused by illness, a death in the family, or other merited cases when prior approval is granted by the principal. It is highly encouraged to schedule vacations during breaks.

The district attendance policy is available at the K-8 building or Superintendent’s office for your review.

Parents should contact the office at 835-9510, or 463-7321 when their child is absent from school and/or they should send a note the first day of the student’s return. Failure to do so will result in the days to be counted as unexcused absences.

MAKE-UP WORK FOR EXCUSED ABSENCES

Students will be given 1 day for every 1 day absent to complete and turn in make up work from excused absences. The first day back at school counts as “0” day. Students will gather missed assignments/work this day. This work will be due the next day (Day 1). Work that was due on the day of the absence will be due upon return (Day 0).

Example 1:  Student misses Wednesday. Returns on Thursday (Day 0). Work is due Friday (Day 1).
Example 2:  Student misses Tues., Wednesday, Thursday. Returns on Friday (Day 0). Monday=Day 1 (Tues work is due), Tuesday=Day 2 (Wed work is due), Wednesday=Day 3 (Thurs work is due).

Any assignments or projects that had an established due date known to the student before his/her absence will be expected to be completed on the original due date. For example, if a student knows that a book report is due October 25 and missed school on October 23 or 24, the book report is expected to be completed on the original due date of October 25. If they are absent on October 25, then the report is due upon return.

At their individual discretion, teachers may allow students a longer period of time to make up assignments due to the nature or complexity of the assignment. It is your responsibility to initiate a procedure with your teacher(s) to complete the work missed.

TARDIES

Five (5) tardies per quarter will result in a one-hour detention. When a student accumulates a total of eight (8) tardies per quarter, the student will receive a second one-hour detention. If a student accumulates ten (10) tardies during one quarter, the student
will receive a one day suspension. Accumulation of more than ten tardies will result in further consequence or actions.

**HALL PASSES**

For any student to be in the hall during class time, s/he must have a legitimate pass from the teacher. Nobody is to be in the hall without a pass. Hall passes are for emergency use only at the discretion of the teacher.

**PARENT-TEACHER CONFERENCES**

Conferences are scheduled twice a year so that parents may come in and visit with the teachers. These conferences are scheduled in the fall and spring of the year, and we encourage all parents to come in and visit with our faculty. We encourage all parents to visit and to bring their students with them.

**PHYSICAL EDUCATION/SPORTS PARTICIPATION**

All students must participate in Physical Education unless they have a doctor's written excuse stating otherwise. If a student has been excused from PE or other activities by a doctor’s written excuse, they can only be released to normal activity with the doctor’s written release. In addition, if a student is restricted from PE or other activities, they are also restricted from any athletic practices, games, or school-related activities until released with the doctor’s note.

Only light soled shoes may be worn in the gym. Shorts or sweats with no zippers or buttons and T-shirts conforming to school policy are required dress. Students with long hair will be required to secure it in a ponytail or tie it back with acceptable hair accessories. Earrings, piercings, and other jewelry must be removed during PE class. Please consider when to have piercings done, as even new piercings need to be removed for PE class. Failure to remove jewelry will result in an unexcused absence (“0” grade) for that class.

**CONDUCT AT ASSEMBLIES**

The administration will make an effort to have assemblies throughout the school year. The purpose of the programs will be both for your educational use and your enjoyment. You will be expected to treat our guests with respect and give them your full attention. If there is a problem in this area, the use of future assembly programs or a student being allowed
to attend future assemblies will be severely curtailed.

**BAD WEATHER DISMISSAL**

If weather conditions are such that we will not have school, radio stations KOKX, KKMI, KILJ, WIUW, WHO and KGRS/KBUR/KBKB will be notified. You are to listen to one of the stations for information regarding a change in school starting times, cancellation of classes, or hard surface routes. WGEM, KTVO, and KHQA television stations will also carry information regarding cancellations, delays, or hard surface roads. School Messenger will contact you via email, text or voice message of school changes. **Please keep your contact information up to date.** The school’s automated phone system will also inform you of cancellations or delays—Option 1.

**CARE OF SCHOOL BUILDINGS**

The Central Lee Community Schools have some of the finest educational facilities in Southeast Iowa. Damage to school property will not be tolerated and will be dealt with to the fullest extent. The cost of repairs and suspension time may be assessed. If the cost to repair or replace damaged property is estimated to be over $25.00, the student causing the damage may be taken to court and prosecuted by law. Please use trash containers for papers, etc. and keep the building clean. We hope you as students will take pride in and take care of your school.

**OPEN CONTAINERS**

No open or glass containers may be brought into the building. If there is a problem, appropriate measures will be taken by the administration.

**CLEARING THE SCHOOL BUILDING**

School is a place for you to learn and participate in extra-curricular activities. We encourage you to participate in as many activities as you prefer; however, if you are not involved in the activities taking place, you are to leave the school building. In general, the school building should be cleared of all students unless participating in a school activity.

**FIELD TRIPS**

The Board of Education realizes that valuable educational experiences can take place outside the regular academic classroom. Therefore, we encourage our staff members to plan trips that are educationally beneficial to the students. Students who have missing assignments or failing grades **may** not be allowed to participate in field trips or extra-
Curricular/co-curricular activities. This will be at the discretion of the sponsor/teacher and principal.

Notes will be sent home with students to notify parents in advance of all field trips. A form giving general permission for students to participate in field trips will be distributed at registration and must be completed by the parents. This form will be kept on file in the main office.

**MEDICATION**

In accordance with Chapter 204 of the Iowa Code, any medication to be administered at school must be accompanied by written permission which has been signed by the physician and parent or legal guardian. The medication must be in the original container and given to the school nurse for distribution. If nonprescription medication is to be taken by the student, we ask that only a one day supply be kept at school along with a note from the parent or guardian that the student has their permission to take the medication.

**INJURIES**

Students at Central Lee who get hurt are to notify school personnel. If a student gets hurt during an athletic practice, s/he is to notify the coach immediately. If a student gets hurt in school, s/he is to go to the office and notify the nurse or secretary.

**INSURANCE**

Central Lee has insurance that students may take while enrolled. This insurance may be purchased during fall registration or during the school year from the office. The rates will be quoted in the office.

**LOCKERS**

Lockers are provided to students for security and convenience. School officials may conduct periodic inspections of all, or a randomly selected number of, school lockers. Parents and students are hereby notified that such inspections will be conducted periodically with no prior notice given. Students are responsible for all materials in their lockers and are encouraged to lock their lockers using the combination lock (middle school). Please refrain from applying adhesive materials to the lockers.

**STUDENT BELONGINGS/CELL PHONES**

Electronic devices, games, cards of any type, laser pointers, etc. should be left at home. Individual instructor approval is required for use in any classroom. Students will be prohibited from using cell phones during the school day, unless they have express consent.
from the office. Student cell phones will be turned off and stored in a secure location. Staff will follow a “see it, hear it, take it” policy. Infractions of this rule will be subject to disciplinary action. The school is not responsible for loss or theft of electronic devices.

Candy, pop, and other food items are not allowed at school without teacher or principal permission. Individual instructors or special activities may allow for the consumption of these items, but it will be restricted to that specific classroom or event.

Bookbags will not be allowed in classrooms. If students wish to carry items to their classes, a cinch bag will be allowed.

LUNCH

All lunch accounts should be kept in a positive balance. Parents will be contacted when a balance exceeds -$25.00. Free, reduced and full-pay participants must have money in their accounts to buy 2nd lunches, extra milk, etc. Failure to reconcile lunch accounts in a timely manner may result in students being served an alternate lunch. Parents may check their child’s lunch account balance by using PowerSchool.

LOST AND FOUND

Students who have lost clothing or personal items should check the lost and found in the office. Items which have not been claimed after a reasonable length of time will be removed from the school.

FORGING NOTES

Presenting the office with a note that has been forged or written by someone else is strictly forbidden. Such an act is nothing more than lying and cheating. It will result in a probable suspension. The forging or adding names to hall passes will be dealt with in the same manner. Students may not write their own notes unless they are not living with a parent or guardian. These arrangements must be made through the office.

TELEPHONE CALLS

Students will not be taken out of class to answer the telephone except in extreme emergencies. An emergency is determined by the administration. Personal telephone messages to students are discouraged. A telephone is available for student use in the office for emergency purposes only. Students should ask permission of the Secretaries
before using the phone or their cell phone. Use of the phone should not interfere with normal business of the school day.

**PERSONAL EXPENSES OF STUDENTS**

- **Level I**
  - Nicole Herdrich, HS Principal
  - 835-9510
  - 463-7321

**EMERGENCY DRILLS**

Fire and tornado drills are held during the school year on a regularly scheduled basis.

A. **Fire Drills**
   1. The signal for fire emergency will be one continuous sound.
2. Note the exit signs in the area you are in and follow the directions of the faculty member.
3. Walk quietly and quickly.
4. The first student out of each door should hold the doors open for the remaining students.
5. Everyone should be at least 100 feet from the building.
   
   Note: It is against the law to set off a fire alarm unless an actual fire is found. Anybody setting off a fire alarm without an acceptable explanation will be punished to the fullest extent of the law. If you set one off accidentally come to the office and let the Principal know immediately.

B. Tornado Drills
   
   1. The signal for tornado emergency will be a cyclical (similar to a police siren) ringing over the intercom.
   2. Follow the direction of the instructor to proceed to the sheltered area of the building.
   3. Everyone should take a book to "tent" over his/her head for protection.
   4. For further protection:

      c. Get under a table where possible.

TRANSPORTATION

Bus Passes

If you are going to ride a different bus or get off the bus at a different place than normal, you must have a bus pass from the school. You must bring a note from home stating such, and then get a pass from one of the secretaries.

Activity Trips/Transportation

Any student participating in a school sponsored activity away from school is required to travel to and from the event in transportation provided by the school. The only exception to this policy is when a student wishes to ride to and/or from the event with his/her parents. When a student rides with his/her parents, the parent(s) must personally contact the coach or activity sponsor or receive the written permission of the Principal in advance.
SHOW CHOIR TRYOUTS AND EXPECTATIONS

Students who are members of the 7th and 8th grade chorus classes may audition for Adrenalin. Students are judged on participation in concert choir, singing, dancing, poise, and physical presentation (i.e., facial expressions, showmanship) by a panel of judges including the instructor. Scores of all the judges will be totaled and the high scores will be accepted in relation to the number of males and females needed for Bass, Alto, and Soprano parts as determined by the instructor.

BAND/CHORAL EXPECTATIONS

The teacher expects active, positive participation during rehearsals with limited conversations between students. Students must come prepared with their positive attitudes and music at all times. Concerts are mandatory and require dress clothes—usually a white shirt and black pants/skirt. Excused and unexcused absences will be determined by the instructor and principal. Unexcused absences will result in reduction of the class grade. Concert dress will be as follows. Ladies will wear dresses, dress slacks or shirts with blouses or sweaters. Gentlemen will wear sweaters or button down shirts with dress slacks or suits. Tattered jeans, t-shirts, shorts, or sweatshirts will not be allowed during concert performances.

CONDUCT CODE

Contrary to what some students think, the administration and teaching staff do not enjoy administering discipline. It is our desire that the school run smoothly and for everyone to get along. Rules and policies are not meant to place a burden on students or staff but rather to establish a framework for learning to live and work in a cooperative spirit. It is important for young people to acquire self-discipline, sense of right and wrong, and to learn to adjust within the school system in an appropriate manner. If misconduct should occur, disciplinary action will be taken which may include: a student conference, parental conference, detention, restitution, in-school suspension, out-of-school suspension, or expulsion. Listed below are the categories of misconduct deemed unacceptable and possible consequences.

FACULTY/STUDENT RAPPORT

A. Instructor’s Authority Over Students

Every instructor has authority over all students at all times in all areas of the school premises at any time students may be on such premises whether during school hours, after school hours, Saturdays, or other times. This authority also applies to any school sponsored function regardless of
location. Refusal to respond to the requests of faculty members will be considered as insubordination and consequences will be given.

B. Any actions showing serious disrespect to members of the staff, faculty or administration will be severely dealt with. This includes substitute teachers, teacher assistants, cooks, or custodians, bus drivers, or volunteers.

Tank tops may be worn if they are worn in good taste. Shirts should not allow bra straps to show or reveal any cleavage. Sleeveless shirts should follow a strap width of 2 ½" (width of a dollar bill). Any attire which may be associated with gang activity will not be allowed. Students will be required to flip their shirt inside out or change their shirt on the first offense. Repeat violators may be suspended for insubordination.

We simply ask that skirts reach below mid-thigh & shorts be mid-length (minimum of 4" inseam) and appropriate for school dress. This is an excellent privilege and your cooperation will encourage us to continue it in the future. Remember, just because the clothing item may be purchased in a store DOES NOT make it appropriate to wear at school.
Behavior Documentation Forms will be used to communicate and record behaviors and consequences with parents. Copies of these forms will be sent home with students. One of the copies will be for parents to keep and one copy is to be signed and returned to school to acknowledge receipt of the form.

**DETENTION** - 60 minutes before or after school on specified days to be served with a faculty member. If the detention is not served, it doubles. Students will be placed on in-
school suspension if this time is not made up after one week. Continual failure to serve detention may result in out of school suspension.

**PARENTAL CONFERENCE** - The Principal or a faculty member may ask a parent to come to school to help remedy a problem. For punishments such as class suspensions, in-school suspensions, or out-of-school suspensions, the Principal may require a parental conference before the student is re-admitted to class or school.

**IN-SCHOOL SUSPENSION** - The student will be assigned to the suspension room under the supervision of a school employee. Students will receive full credit for the work made up during the suspension time.

**SUSPENSION POLICY**

Suspension will be defined as a removal from the normal class schedule and daily routine by either in-school or out-of-school suspension.

1. If a student is suspended more than once by an administrator, then a conference between the student, his/her parents, and the principal will be required before the student is readmitted to class.
2. If a student is suspended for 10 days, the student will be considered for expulsion following the guidelines set down by the Iowa Public School Code.
3. The length and type of suspension will be at the discretion of the building Principal.

**RULES IN DETENTION AND SUSPENSION ROOM**

1. The student serving the detention/suspension will be isolated from all other students during that day.
2. Lunch will be brought to the student and eaten in the suspension room.
3. The student will be expected to work on school work or stay busy reading appropriate material.
4. Finished work will be given to the classroom teacher.
5. There will be no sleeping, defacing property or inappropriate behavior.
6. Infractions of any rules can result in more time being added to the suspension.
7. If you are absent during the in-school suspension, you will continue it upon your return to school.
8. There will be a morning, noon and afternoon restroom break.
9. Any electronic device usage will not be permitted.

**OUT-OF-SCHOOL SUSPENSION**

The student will be sent home, and may not appear on school property from the time the
student is suspended until the student is readmitted. When a student is suspended out of school, s/he may not attend any extra curricular activities or appear on school grounds during the course of the suspension. Period may be 1-10 days. Students will receive full credit for work made up.

GOOD CONDUCT RULE

Students of this district shall have the privilege of being part of the school and be able to participate in extra curricular public performance activities only if they, by their personal conduct, uphold high ideals and principles. Therefore, if the conduct of students either in or out of school, during the school year or summer months is such as to make them unworthy to represent the ideals, principles, and standards of the school district, the Principal may exclude such students from interscholastic competition and activities.

ACADEMIC ELIGIBILITY REQUIREMENTS FOR STUDENT PARTICIPATION IN ACTIVITIES

1. Student eligibility will be determined monthly. Grades will be checked on Wednesdays at 8:00 am. Students who have a failing grade at that time will be deemed ineligible for extra-curricular activities/events until their grades are passing.

2. Ineligible students will continue to attend all scheduled practices of the activity in which they are involved. Students will attend contests or events during this period, but will not dress-out or participate. Failure to do so will result in the ineligibility period to be extended or possible dismissal from the team/activity. Coaches/sponsors will have the right to prohibit ineligible players from traveling to activities off-campus.

3. Students who have a failing grade at the end of the 4th quarter will be ineligible for 15 days of the current activity. Student eligibility will start fresh each school year.

4. This policy will affect only groups that are considered extra-curricular in nature. All curricular/co-curricular groups will not fall under the guidelines of this policy.

DUE PROCESS AND APPEALS (GRIEVANCE PROCEDURE)

If a student or the parents of the student feel that the declared ineligibility is unfair or unjust the student or parents of the student may state their objections in accordance with the grievance procedure outlined in the Student Athletic/Activities Handbook.
SEARCH AND SEIZURE POLICY

All school property is held in public trust by the Board of Directors. School authorities may, without a search warrant, search a student, student lockers, desks, work areas, or student automobiles based on a reasonable suspicion under the circumstances and in a manner reasonable in scope to maintain order and discipline in the schools, promote the educational environment, and protect the safety and welfare of students and school personnel. School authorities may also seize any illegal, unauthorized, or contraband materials discovered in the search.

It is recognized that such illegal, unauthorized, or contraband materials generally cause material and substantial disruption to the school environment or present a threat to the health and safety of students, employees, or visitors on the school premises. Items of contraband may include, but are not limited to, non-prescription controlled substances, such as marijuana, cocaine, amphetamines, barbiturates, apparatus used for the administration of controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons and stolen property. Possession of such items by a student will be grounds for disciplinary action and may be grounds for reporting to local law enforcement authorities.

Regarding locker searches, school officials may conduct periodic inspections of all, or a randomly selected number of, school lockers, without prior notice. This type of inspection shall only occur in the presence of the student or students whose lockers are being inspected. (Mass maintenance inspections of student lockers will be conducted after providing students 24 hour notice of the impending inspection. Maintenance inspections do not require the presence of the student.
